HOW THE CONTRIBUTION IS COUNTED

Point from play +2 · Point from a placed ball +1 · Two pointer from play +3 · Two pointer from a placed ball +2 · Goal +4 · Assist +2 · Shot missed -1 · Turnover won +3 · Own kick out or restart won +2 · Opposition kick out or restart won +3 · Throw in won +2 · Turnover against -2 · Tackle +2 · Scoreable free conceded -2 · Other free conceded -1 · Yellow card -3 · Black card -4 · Red card -6 · Own short kick out kept +1 · Own short kick out lost -3 · Own mid kick out kept +2 · Own mid kick out lost -2 · Own long kick out kept +2 · Own long kick out lost -1 · Save +3 · Penalty saved +5 · Goal conceded -3 · Clean sheet (no goal conceded, on for the whole match) +3. A tackle that wins the ball counts once, as the turnover won. Winning your own short kick out scores nothing.
